ARTICLE 1 - PREMISES

1.1 **Description:** LESSOR hereby leases to LESSEE and LESSEE hereby leases from LESSOR, upon the terms and conditions herein set forth, that certain real property and its appurtenances, situated at **559 East Alisal Street, Suites 106, 107, 108 and 200, Salinas, California 93905** (the "Building") and described as follows: Clinic and medical offices consisting of approximately 12,986 square feet of space (797 rentable square feet in Suite 106, 320 rentable square feet in 107, 905 rentable square feet in Suite 108, and 10,964 rentable square in Suite 200), as designated in **EXHIBIT A1- DESCRIPTION OF PREMISES - Current Basic Floor Plan**, attached and incorporated by this reference (hereinafter, "the Premises"). The term "rentable square feet" shall mean the "Rentable Area" of the Premises as calculated pursuant to the Building Owners and Managers Association International's Office Buildings: Standard Methods of Measurement (ANSI/BOMA Z65.1, 2010). The Premises constitutes one hundred percent (100%) of the total rentable space of the building.

1.2 Common Areas: LESSEE shall also have the non-exclusive right to use at all times, in common with other tenants in the Building, any and all of the following areas which may be appurtenant to the Premises: Common entrances, lobbies, corridors, hallways, elevators, stairways and access ways, loading and unloading areas, visitor parking areas, ramps, drives, platforms, public rest rooms, common walkways and sidewalks necessary for access to the Premises.

1.3 Parking Areas: Parking facilities include both a parking garage and exterior parking. LESSEE shall have the exclusive right to use the parking garage except for three (3) parking spaces for LESSOR'S use on a "first come-first serve" basis. LESSEE shall have the non-exclusive right to use all other available parking on-site. Exclusive and nonexclusive parking areas to be further designated in **EXHIBIT A2 – PARKING PLAN**, which is attached and incorporated herein. LESSOR shall be responsible for security and proper ingress and egress of parking garage. At its sole cost and expense, LESSOR shall install and maintain such security systems and take all reasonable measures as are necessary to assure controlled access. Such systems or measures shall include, but not limited to the installation and maintenance of gates and/or other access control devices. The security system and controlled access to parking garage shall be subject to written approval of LESSEE. Such approval of security plans and controlled access to parking garage by LESSEE shall not be unreasonably withheld.

1.4 Compliance with the "Americans with Disabilities Act of 1990" (ADA): LESSOR shall ensure that the Premises are in compliance with the Americans with Disabilities Act of 1990 ("ADA"), as amended, and, if necessary, prior to the Commencement Date, shall modify the Premises to comply with the Act and the regulations promulgated to implement the ADA requirement.

1.5 Compliance with "No Smoking Law" (2003 Assembly Bill 846): LESSOR shall ensure that the Premises and the Common Areas are in compliance with Government Code Title 1, Division 7, Chapter 32 (commencing with Section 7596), as amended, and, if necessary, prior to the Commencement Date, shall modify the same to comply with the law and the regulations promulgated to implement 2003 Assembly Bill 846.

1.6 Statement of Seismic Adequacy: Prior to the Lease Commencement Date specified in Section 2.1 below, LESSOR shall provide either; **1)** If the Premises are contained in a building constructed on or before December 31, 1972, or one of which has undergone major structural renovation since January 1, 1973, the LESSOR shall obtain a Statement of Seismic Adequacy for the Premises by a licensed structural engineer and it shall be attached to this Lease as **EXHIBIT B – STATEMENT OF SEISMIC ADEQUACY**, which is attached and incorporated herein by this reference. Or, **2)** If the Premises are contained in a building constructed on or after January 1, 1973, LESSOR shall provide LESSEE with official documentation evidencing the Construction Date from the respective Municipality's, or Political Subdivision's Building Department with jurisdiction over the Premises at the time of construction. If the Premises are contained in a building constructed on or after January 1, 1973, official documentation from said Municipality or Political Subdivision of the State of California shall be attached as **EXHIBIT B-1 – EVIDENCE OF CONSTRUCTION**, and incorporated by this reference. The Parties understand and agree that the Statement of Seismic Adequacy, or Evidence of Construction is a condition precedent to the occupancy of the Premises and that failure to obtain said Statement of Seismic Adequacy by a licensed structural engineer, or a functional equivalent by a licensed design professional acceptable to the County, prior to occupancy shall render this Lease null and void.

ARTICLE 2 - TERM

2.1 Lease Term: The term of this Lease (the "Lease Term") shall be ten (10) years, commencing on December 1st, 2025 or upon issuance of a certificate of occupancy from the City of Salinas and LESSEE'S final walk through and approval of all Premise Improvements, whichever is later, ("Lease Commencement

Date"), and ending November 30, 2035 or Ten (10) years from Lease Commencement Date, whichever is later (the "Stated Expiration Date"), with such rights of termination and extension of the Lease Term as are hereinafter set forth. In the event that the Premise Improvements are not certified as complete within one-hundred twenty (120) days from the agreed-upon schedule for construction of Premise Improvements, County may terminate this agreement. Within thirty (30) days of the occurrence of the Lease Commencement Date, LESSEE and LESSOR shall execute a side letter agreement confirming the actual Lease Commencement Date and Stated Expiration Date for this Lease.

2.2 Extended Term: Upon completion of the initial Lease Term, the LESSEE may renew the Lease for two (2) additional **Three (3) year terms** ("First Extended Term"), and upon the expiration of the First Extended Term, the LESSEE may renew the Lease for a second additional **Three (3) year term** ("Second Extended Term"), in each case by giving LESSOR advance written notice of its intent to renew one hundred fifty (150) days prior to expiration of the initial Lease Term or First Extended Term, as applicable.

2.3 Monthly Rent Limit: LESSOR and LESSEE agree that the monthly rent of any extended term shall be no more than Ninety Five percent (95%) of the then current market "Gross Lease" rents for *similar office space* in the Salinas, California area. As it pertains to this Lease, "Gross Lease" shall mean that the LESSOR will be responsible to pay for the general maintenance and repair, elevator maintenance and repair, property taxes and assessments, insurances (Real Property and lessor's risk liability), utilities and Common Area expenses out of the monthly rent paid by the LESSEE for the Premises and LESSEE shall not pay any additional rent therefor. In the event that LESSOR and LESSEE are unable to agree upon the then current market Gross Lease rents for the Premises within thirty (30) days of LESSEE'S delivery of its intent to renew this Lease as described in ARTICLE 2.2, LESSOR and LESSEE shall submit the determination of the then current market Gross Lease rent to arbitration.

ARTICLE 3 - RENT

In consideration of the continuing right of use, quiet enjoyment and possession of the Premises, LESSEE shall pay to LESSOR as monthly rent for the Premises the initial sum of Thirty-four thousand one hundred sixty and 57/100 (\$34,160.57) as it may be adjusted as provided in this Lease, "Monthly Rent", payable on or before the first day of each month. Subject to the immediately following paragraph, LESSEE shall commence rental payments upon the Lease Commencement Date. If the Lease Commencement Date is other than the first day of a calendar month, then the Monthly Rent for that month shall be prorated on a daily basis, based on a thirty (30) day month. Monthly Rent shall be payable to LESSOR at the address specified in ARTICLE 6 or at such other address as LESSOR may from time to time designate in writing. Monthly Rent is inclusive of, among other things, LESSEE'S share of real estate taxes, assessments, insurances (Real Property and lessor's risk liability), and Monterey Regional Water Pollution Control Agency (MRWPCA) fee for the Premises. *Initial rent is computed as follow: Base rent of \$2.25 per square foot per month for clinic and medical offices, plus a cost not to exceed \$0.38 per square foot for amortized Premise Improvement Allowance payment.*

It is hereby agreed that the Monthly Rent stated above is subject to adjustment, as provided in this Lease, and that the cost of any Premise Improvements requested by LESSEE pursuant to ARTICLE 7.2 below, will be paid in accordance with **EXHIBIT C - PREMISE IMPROVEMENT COSTS** that will be attached to this Lease Agreement upon completion of such LESSEE requested Premise Improvements and incorporated by this reference.

ARTICLE 4 - ANNUAL RENT ADJUSTMENT

At the end of each Year during the initial Lease Term or any Extended Term, the Monthly Rent (excluding any amortized Premise Improvement payments pursuant to ARTICLE 7.2) shall be increased by the fixed amount of **two and one half (2.5%)** (so that, for example, the Monthly Rent payable during the second Lease

Year shall be equal to **102.5%** of the Monthly Rent payable during the first Lease Year). A "Lease Year" shall mean each consecutive twelve-month (12-month) period during the initial Lease Term or Extended Term, as applicable; provided, however, that (a) the first Lease Year commences on the Lease Commencement Date as provided in ARTICLE 2, Section 2.1 above, or the first day of the Extended Term as provided in ARTICLE 2, Section 2.2 above, as applicable, and ends on the last day of the twelfth calendar month thereafter; (b) the second and each succeeding Lease Year commences on the first day of the next calendar month; and (c) the last Lease Year ends on the Stated Expiration Date as provided in Section 2.1 above, or the last day of the Extended Term as provided in Section 2.2 above, as applicable, or earlier date of termination.

Annual Rent Schedule

[To be added upon occupancy ("Lease Commencement Date")]

ARTICLE 5 - TERMINATION BY COUNTY

Notwithstanding any other provisions of this Lease, LESSEE, at its sole option, may terminate this Lease upon one hundred and eighty (180) days written notice, solely on the condition that funds have not been budgeted for leasing of the property described herein. Such termination shall be without penalty to LESSEE except as identified below. Such right of termination shall not be construed so as to permit LESSEE to terminate this Lease in order to lease other premises for a similar purpose within the City of Salinas. LESSEE represents that its intent is not to exercise its rights under this ARTICLE unless financial conditions prevent the Monterey County Board of Supervisors from budgeting funds for this Lease.

Notwithstanding the aforementioned, in the event LESSEE terminates this Lease pursuant to this section, LESSEE shall pay within sixty (60) days all unpaid Premise Improvement Allowance.

The Premise Improvement Allowance is calculated as follows: Amortized Premise Improvement Costs of \$455,380; Contingency costs of \$142,845.

Subject to the State constitutional debt limitation provisions, LESSEE shall have the option to reimburse LESSOR for the Premise Improvement Allowance within sixty (60) days of receipt from LESSOR, or request that LESSOR amortize the Premise Improvement Allowance at a rate of five and half percent (5.5%) over ten (10) year term. LESSOR and LESSEE shall agree upon all Premise Improvement costs (presented in itemized format) and the construction schedule for the Premise Improvements (presented in an itemized and sequential format) prior to commencement of construction of the Premise Improvements. Premise Improvement costs shall include costs associated with architectural, engineering, building permits and fees, inspections and signage.

7.3 Premise Improvement Warranties: LESSOR warrants to LESSEE that all materials and equipment furnished by LESSOR in its improvement of the Premises shall be new unless otherwise specified in the Plans and Specifications, and that all of LESSOR'S work to be performed under the Plans and Specifications shall be of good and workmanlike quality, free from faults and defects, and in accordance with the final requirements of **EXHIBIT C-1 - PREMISE IMPROVEMENT PLANS AND SPECIFICATIONS**. LESSEE may request that LESSOR hire a qualified industrial hygienist, approved by LESSOR and LESSEE, to perform indoor air quality testing/surveying for the Premises and the Common Areas of the building as described in **Article 1.2** with the understanding that if test results reveal that unacceptable levels (as determined by EPA guidelines) of Environmental Hazards are not present, LESSEE will reimburse LESSOR the cost of the testing within thirty (30) day of receipt of the County Auditor-Controller's receipt of a County approved invoice from LESSOR. By providing for and requesting air quality testing, LESSOR'S duties and obligations are not diminished and LESSEE does not assume or agree to share in LESSOR'S duties and obligations in respect of maintenance of the Premises.

ARTICLE 12 - SIGNS AND FIXTURES

LESSEE may place such signs and advertisements upon the Premises as LESSEE may desire, subject to compliance with applicable law and approval by the LESSOR which consent shall not be unreasonably withheld provided, however, that at the expiration of the term hereof or any renewal or extension of this Lease, LESSEE will remove said signs and will repair any damage caused by such removal, such repair shall be reasonably determined at the sole discretion of LESSOR. LESSEE, during the term hereof, shall indemnify and hold harmless the LESSOR from and against any and all claims and demands whether for injuries to persons or loss of life, or damage to property, occurring within the Premises and to the extent arising out of the use of the Premises by the LESSEE, excepting however, such claims and demands whether for injuries to persons or loss of life, or damage to property, caused by acts or omissions of the LESSOR.

LESSEE shall maintain public liability and property damage coverage or program of self-insurance with liability limits of not less than \$2,000,000 for injury or death to one (1) or more persons and property damage limits of not less than \$100,000 per occurrence insuring against all liability of LESSEE and its authorized representatives arising out of and in connection with LESSEE'S use or occupancy of the Premises.

LESSOR, during the term hereof, shall indemnify, defend and hold harmless the LESSEE from and against any and all claims and demands whether for injuries to persons or loss of life, or damage to property, to the extent arising out of acts or omissions of the LESSOR, excepting however, such claims and demands whether for injuries to persons or loss of life, or damage to property, to the extent caused by acts or omissions of the LESSEE.

LESSOR agrees that it will keep insured against loss or damage by fire, at full replacement value, the Building, which insurance shall be, at a minimum, comparable to the coverage and amounts of insurance that are carried by reasonably prudent landlords of comparable buildings in the City of Salinas.

ARTICLE 20 – CONFIDENTIALITY OF LESSEE'S SERVICES/CLIENTS

LESSOR recognizes and understands that LESSEE'S services, identity of clients, and records relate to a confidential relationship between the LESSEE and its clients, and LESSOR agrees that, in its interaction with LESSEE, its clients and records, whether through itself, its employees, or its agents, it will maintain such confidences as might become available to it and not release or divulge such confidential identities, information, or records; provided that all such confidential items are maintained in a locked environment and that any confidential items are shredded prior to disposing of them in trash receptacles. **LESSOR and LESSEE shall consider the entire Premises a locked environment.** LESSOR and its agents shall exercise all possible care to preserve and maintain the confidentiality of any records and information, consistent with state and federal privacy laws relating to private and medical information. This includes protection of the identity of patients, clients, and users of the Premises.

ARTICLE 21 - DESTRUCTION

If the Premises are totally destroyed by fire or other casualty, either party may terminate this Lease immediately by giving notice to the other party.

If such casualty shall render ten percent (10%) or less of the rentable area of the Premises unusable for the purpose intended, LESSOR shall effect restoration of the Premises as quickly as is reasonably possible, but in any event restoration shall begin within thirty (30) days after such destruction.

If such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, LESSOR shall forthwith give notice to LESSEE of the specific number of days required to repair the same. If LESSOR under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from the date such notice is given, LESSEE, in either such event, at its option, may terminate this Lease.

In the event of any such destruction other than total, where LESSEE has not terminated the Lease as herein provided, LESSOR shall diligently prosecute the repair of the Premises and, in any event, if said repairs are not completed within thirty (30) calendar days from the work commencement date, for destruction aggregating ten percent (10%) or less of the floor space, or within the thirty (30) calendar day period specified herein in connection with partial destruction aggregating more than ten percent (10%), LESSEE shall have the option to terminate this Lease. LESSEE shall assist LESSOR with obtaining all applicable building permits if necessary.

LESSOR and LESSEE understand that, in normal circumstances, work cannot commence before a building permit is obtained. Time deadlines set forth herein shall not commence before required permits are issued. LESSOR warrants to diligently pursue issuance of said permits.

If LESSEE remains in occupancy of the Premises though partially destroyed, the rent for said Premises as herein provided, during restoration, shall be reduced by the same ratio as the rentable square feet LESSEE is thus precluded from occupying, bears to the total rentable square feet in the Premises. For purposes of this ARTICLE 21, "rentable square feet" shall mean actual inside dimensions and shall not include public areas.

ARTICLE 22 - DEFAULT BY LESSEE

22.1 Default: If any of the following events occur, each such event shall constitute a material breach of this Lease, and LESSOR may, at LESSOR'S option, exercise any or all rights available to a LESSOR under the laws of the State of California:

- a. A default in the payment of rent or other obligation when such default continues for a period of thirty (30) days after written notice from LESSOR to LESSEE of such default, or
- b. LESSEE fails to faithfully perform or observe any other covenant or undertaking required under this Lease and such failure continues for a period of thirty (30) days after written notice thereof from LESSOR to LESSEE of such default or, if such default is not reasonably curable within such thirty (30) day period, LESSEE fails to commence to cure such default within such thirty (30) day period and thereafter diligently pursues such cure to completion, LESSOR'S obligation to provide written notice to LESSEE of a default by LESSEE is limited to those instances where knowledge of LESSEE'S default is within the actual knowledge of LESSOR, or
- c. LESSEE is adjudicated bankrupt, or
- d. LESSEE'S lease interest is sold under execution of judgment.

22.2 Remedies: If LESSEE fails to cure a default within the time frames outlined above, LESSOR shall have the option to cure the default, if curable, or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSOR elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSEE to LESSOR, as additional rent, within thirty (30) days of the County Auditor-Controller's receipt of LESSOR'S County approved invoice for said costs which shall be accompanied by County approved

invoices and receipts to document LESSOR'S cost to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default.

ARTICLE 23 - DEFAULT BY LESSOR

23.1 **Default:** LESSOR shall not be in default unless LESSOR fails to perform its obligations under this Lease within a reasonable time, but in no event later than thirty (30) days after written notice by LESSEE to LESSOR specifying wherein LESSOR has failed to perform such obligations. If the nature of LESSOR'S obligation is such that more than thirty (30) days are required for performance, then LESSOR shall not be in default if LESSOR commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. LESSEE'S obligation to provide written notice to LESSOR of a default by LESSOR is limited to those instances where knowledge of LESSOR'S default is within the actual knowledge of LESSEE.

23.2 **Remedies:** If LESSOR fails to cure a prospective default within the time periods outlined above, LESSEE shall have the option to cure the default or to terminate this Lease, in addition to any other remedies at law not inconsistent herewith. Should LESSEE elect to cure the default, all reasonable costs associated with such cure, including reasonable attorneys' fees incurred and awarded as a result of any legal action or proceeding brought to enforce or interpret this Lease Agreement (if any), shall be reimbursed by LESSOR to LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs which shall be accompanied by invoice and receipts to document LESSEE'S cost to cure said default, and by any Court Order awarding reasonable attorney's fees incurred to cure said default. However, upon LESSOR'S failure to so reimburse LESSEE within thirty (30) days of receipt of LESSEE'S invoice for said costs, at LESSEE'S option, said costs shall be deducted from rent due hereunder. If LESSOR'S default hereunder prevents LESSEE'S use of the Premises, there shall be an abatement of rental payments for the period of such non-use.

ARTICLE 24 - CONDEMNATION

If more than ten percent (10%) of the floor space area of the Premises is taken or condemned for a public or quasi-public use, or the part taken renders the entire Premises insufficient for the conduct of LESSEE'S business and operations, then this Lease shall terminate at the option of LESSEE as of the date title shall vest in the condemner. If only part of the Premises is taken and the remainder of the Premises is sufficient for the conduct of LESSEE'S business and operations, then LESSOR shall restore the Premises to a single architectural unit and the Lease shall continue as to the part not taken, but the monthly rent shall be reduced in proportion that the rentable area of the Premises taken bears to the rentable area of the Premises before the taking.

ARTICLE 25 - HOLDING OVER

If LESSEE remains in possession of the Premises after the Lease Term or any Extended Term, this Lease shall automatically be extended on a two month-to-two month basis at the monthly rent applicable to the last month of the Lease Term or Extended Term, subject to termination upon Ninety (90) days written notice by either party. All other terms and conditions shall remain in full force and effect.

ARTICLE 26 - WAIVER

Any waiver of any term or condition of this Lease must be in writing and signed by LESSEE and LESSOR. The waiver by LESSOR or LESSEE of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either party consent to any breach of any

term, covenant or condition, nor shall either party be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 27 - QUIET POSSESSION

LESSEE shall at all times during the term of this Lease peaceably and quietly have, hold and enjoy the Premises, without suit, trouble or hindrance from LESSOR or any person claiming under LESSOR, subject to the terms of this Lease. LESSOR, to the best of LESSOR'S ability, shall also be responsible for ensuring that all other tenants in the building or complex do not interfere with the quiet enjoyment of the LESSEE.

ARTICLE 28 - SUBORDINATION

This Lease shall be subject and subordinated to the lien of any mortgages and deeds of trust which are hereafter placed against the LESSOR'S interest or estate in the property provided that the mortgagor or beneficiary under such mortgage or deed of trust shall agree in writing that, in the event of a foreclosure of same or of any other such action or proceeding for the enforcement thereof, or of any sale thereunder, this Lease shall not be barred, terminated, cut off, or foreclosed, nor will the rights and possession of LESSEE hereunder be disturbed if LESSEE shall not then be in default under the terms of this Lease, and LESSEE shall attorn to the purchaser at such foreclosure, sale or other action or proceeding. The foregoing subordination shall be effective without the necessity of having any further instruments executed by LESSEE, but LESSEE shall nonetheless execute, upon demand, such further instruments evidencing such subordination as may be reasonably requested by LESSOR or any mortgagee or beneficiary.

ARTICLE 29 - ESTOPPEL CERTIFICATE

Within thirty (30) days of written notice by one party to the other, each will execute, acknowledge and deliver to the other an estoppel certificate in writing declaring any modifications, defaults or advance payments and whether the lease, as may be modified, is in full force and effect. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

LESSOR will apply the amount of any reduction of tax resulting from such exemption either in the form of a cash payment or of rental credit to LESSEE as soon as possible after LESSOR receives the benefit of tax exemption.

If such tax exemption of the Premises is granted for a fiscal year which is, in whole or in part, after the date of expiration or earlier termination date of this Lease, then, with respect to that portion of such fiscal year which is after the expiration of the term of this Lease, LESSOR will pay LESSEE the amount of such reduction of tax in cash, in accordance with directions from the Monterey County Assessor's Office.

In the event any alternate energy enhancement creates a tax deduction, PG&E rebate or any other form of monetary credit to LESSOR, LESSOR further agrees to pass to LESSEE said monetary credit to defray LESSEE'S operational cost for the Premises as identified in **EXHIBIT D - SUMMARY OF SERVICES AND UTILITIES** and **EXHIBIT E - SUMMARY OF REPAIR AND MAINTENANCE RESPONSIBILITIES** of this Lease. In the event that LESSOR shall install any eco-friendly upgrade, including but not limited to, programs financed by PG&E or other third parties, any credit paid to such third parties pursuant to a financing arrangement shall not be classified as a monetary credit.

- a. LESSOR shall provide for LESSEE'S approval the complete and detailed proposed Plans and Specifications for the Premises Improvements, the design of which shall conform to LESSEE'S approved program for use of the Premises.
- b. LESSEE shall provide LESSOR with written notice of its approval or disapproval of the Plans and Specifications within five (5) business days after receipt of such Plans and Specifications. If LESSEE disapproves the Plans and Specifications, LESSEE shall describe the reasons for its disapproval in reasonable detail in LESSEE'S notice of disapproval. LESSOR shall revise the Plans and Specifications to satisfy the issues giving rise to LESSEE'S disapproval and submit the revised Plans and Specification to LESSEE as provided in clause 2.a. of this Exhibit C.
- c. During construction, LESSOR and LESSEE'S Representative (as defined below) shall confer periodically regarding the progress of the work and the approximate cost of the work completed. - d. If LESSOR determines that a change proposed by LESSEE will delay completion of the construction beyond the period allocated for such construction, LESSOR shall, within four (4) business days, notify LESSEE'S Representative of the estimated length of the delay caused by LESSEE'S request. LESSEE'S Representative shall advise LESSOR within two (2) business days after receipt of such notice as to whether LESSOR shall proceed with requested change, modification or alteration. LESSOR shall not make the requested change to the Plans and Specifications without LESSEE'S approval of any proposed time extensions.

LESSEE shall approve or disapprove such revised Plans and Specifications within two (2) business days after receipt and shall not unreasonably withhold its approval.
 - g. LESSOR shall not be responsible for any delays in the time for completion of construction resulting from LESSEE'S delay. For purposes herein, LESSEE'S delay in the completion of the construction of the Premise Improvements are delays that may arise solely as a result of: (1) LESSEE'S failure to comply with its obligations set forth in subsection b, d, e, or f, above, within the time specified; (2) any change directed by LESSEE after notification to LESSEE that the change will delay completion of the construction as provided in subsection d, above; or (3) extra time required to obtain any long lead items specified by LESSEE. For purposes herein, an item shall be considered a long lead item if LESSOR notifies LESSEE within fifteen (15) business days after receipt of LESSEE'S approval of the Plans and Specifications that such item is not readily available or readily installable after the same is requested by LESSEE.
3. Approval of Plans by Public Authorities: Following LESSEE'S approval of the Plans and Specifications, LESSOR shall obtain approval of the Plans and Specifications for the Premises from all appropriate governmental agencies, and a copy of the Plans and Specifications, as approved by such governmental agencies, shall be dated and initialed by both LESSOR and LESSEE. LESSOR shall exercise due diligence in obtaining any such approval. LESSEE shall cooperate with LESSOR in obtaining all such approvals, and in this regard, LESSEE shall approve all revisions and changes to the Plans and specifications reasonably required by any governmental agency, with due diligence and without delays.

 6. Acceptance of Premises:
 - a. At any time during the construction of the Premise Improvements, LESSEE may reject any work that does not conform to the Plans and Specifications or does not meet good and workmanlike standards as reasonably interpreted by and at the sole discretion of the LESSEE.
 - b. Within five (5) business days after LESSOR delivers to LESSEE a list of work items remaining to be done or corrected and notifies LESSEE that the Premise Improvements are ready for inspection by LESSEE'S representative, LESSEE shall deliver to LESSOR a list of items that LESSEE shall have reasonably determined that LESSOR must complete or correct prior to LESSEE'S acceptance of possession in order for the work to conform to the Plans and Specifications. LESSOR shall immediately commence to complete or correct the items listed by LESSEE, except those it contends are not justified. If LESSEE fails to deliver such a list within the five (5) business day period, LESSEE shall be deemed to have accepted the Premises subject to completion of the corrections on LESSOR'S list of corrections and to have approved the construction.

PROPOSITION 65 WARNING

CALIFORNIA PROPOSITION 65 WARNING. This warning is provided in compliance with the requirements of California's Proposition 65, due to exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm, from exposures to materials used in and around the construction site of _____

“WARNING: MATERIALS INCLUDED IN THE CONSTRUCTION OF THE PREMISES AND PROPERTY WILL EXPOSE YOU TO FORMALDEHYDE AND OTHER CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM. FURTHER INFORMATION MAY BE OBTAINED FROM THE MANAGER/OWNER.”

This warning is provided to inform tenants of the exposure to formaldehyde and other chemicals known to the State to cause cancer and birth defects or other reproductive harm. The exposures are caused by the materials of which the office buildings on this site are constructed. **Environmental exposures to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm will continue** for as long as _____ engages in ongoing construction on and around the surrounding property.

Formaldehyde. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes and offices. Formaldehyde is present in the air because it is emitted by a variety of building materials and products purchased by the builder from materials suppliers. These materials and products include carpeting, pressed wood products, insulation, plastics, and glues.

Other Chemicals. The Premises and/or ongoing construction sites in this development have not been tested. Given the cost of testing, it is not feasible to test every rental property and nearby construction site to ascertain the level of formaldehyde or other carcinogens and reproductive toxicants present in the rental property or ongoing construction sites nearby. Most homes, offices and construction sites that have been tested elsewhere do contain formaldehyde as well as other carcinogens and reproductive toxicants, although their concentrations vary from property to property with no obvious explanations for the differences. One of the problems is that many of the suppliers of building materials and products do not provide information on chemical ingredients to their builders. In the absence of specific information on these leased premises, and in light of the materials used in and around their construction, we believe that a warning is necessary.

Please provide this warning to invitees and guests entering this leased property. You may have further questions about these issues. _____, has made no inquiries of our material suppliers concerning these matters. _____ is willing to provide, upon request, the names of known material suppliers, which may be contacted for further information.
