The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION.

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.
- 7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of

CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

- 7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION.

- 8.01 Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter "County"), its officers, agents and employees from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement by Contractor and/or its agents, employees or sub-contractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the County. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of

three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY.

- 10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by

CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.04 Access to and Audit of Records. The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.05 Royalties and Inventions. County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION.

- 11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. EXHIBIT B

County of Monterey Board Policy Manual

Policy Name	Policy Number	Page
County Facilities Art Exhibition Policy	G-94	1 of 5
Policy Category Government and Administration		

I. Purpose

To identify and support the local visual arts community by offering highly visible public spaces for the exhibition of artwork at designated County facilities. The purpose of the exhibits is not to create or provide a marketplace for art or a forum for public political debate, but to encourage the community's appreciation of visual arts in a setting that may be viewed without charge by all community members. This policy applies to all County facilities and establishes guidelines for distinct roles and areas of responsibility between the "County" and "Artwork Program."

II. Background

The Monterey County Rotating Artwork Program, hereafter "Artwork Program," was developed to heighten public appreciation for the visual arts, promote its value to society, and provide a means of personal expression for area artists. The primary focus of the program is to present a broad representation of quality artwork from the local arts community to the public and to encourage a greater diversity of local youth, seniors, and other-abled artists.

Since 2006, the Arts Council for Monterey County (ACMC) has displayed original artwork exhibits in public lobbies and publicly accessible conference rooms at the County Government Center Administration Building and Health Department Administration Building in Salinas.

III. Policy

It is the policy of the County that:

1. All County facilities, owned and leased, will follow the guidelines described below. The policy establishes clear guidelines and defines distinct roles, responsibilities, and criteria for the selection and exhibition of artwork in County facilities.
2. Three parties have been designated to coordinate and manage the selection and exhibition of artwork at County facilities: "County Facility Arts Policy Task Force," "RMA-Deputy Director of Public Works, Parks and Facilities, or his/her designee," and "Arts Council for Monterey County."

3. It is the intent of the policy for Monterey County to continue its collaboration with ACMC to display original visual arts of local artists in public common areas and shared conference rooms of County facilities.
4. Exhibited artwork shall be free of sales price information. Artists' contact information may be posted near their artwork subject to the approval of the County.
5. The County assumes no liability or responsibility arising from or out of any loss, damages, or vandalism to artwork while on exhibit at any County facility.

IV. County Facility Arts Policy Task Force (CFAPTF)

A task force, CFAPTF, composed of representatives from County departments assigned by the County Administrative Officer (CAO), has been established to act as County liaison and assist with the coordination and management of the selection and exhibition of artwork at County facilities.

Composition:

The Task Force is currently comprised of representatives from eleven County departments alphabetically listed below. The Economic Development Department will serve as the Task Force Lead.

1. County Administrative Office - Intergovernmental & Legislative Affairs
2. County Administrative Office - Office of Community Engagement & Advocacy
3. Economic Development Department
4. Health Department - Planning, Evaluation, and Policy
5. Resource Management Agency - Public Works and Facilities

County employees interested in participating on the task force must obtain written approval from their Department Head prior to forwarding their request for consideration for assignment by the CAO. Length of continuous assignment of Department representatives will be determined by the CAO in conjunction with the Task Force Lead.

Role of CFAPTF:

The CFAPTF will act as and/or provide the following services:

1. Serve as liaison between the County of Monterey and ACMC.
2. Promote effective collaboration between County departments, RMA-Deputy Director of Public Works, Parks and Facilities, or his/her designee, and ACMC to carry out the purpose of this policy.
3. Point-of-Contact for County departments concerning artwork in their respective facility.
4. Formalize a rotation schedule for artwork exhibits at County facilities in collaboration with the ACMC and RMA-Deputy Director of Public Works, Parks and Facilities, or his/her designee.
5. In any situation where: 1) the appropriateness of any exhibit displayed in a County facility is called into question; 2) the artwork implies the County is sponsoring and/or endorsing any commercial establishment or business; or 3) the artwork associates the County with a position other than neutrality on matters of political controversy, the Task Force Lead will review and make the final, ultimate determination in the best interests of the County regarding the artwork's disposition, including removal of the artwork from the facility.

6. Promote a racial equity lens that includes consideration for artists of underserved regions of the County including, but not limited to, youth and adults in foster care, incarcerated or formerly incarcerated, and mental health clients.

V. RMA-Chief of Facilities

Role of RMA-Chief of Facilities:

1. The Resource Management Agency (RMA) Deputy Director of Public Works, Parks and Facilities, or his/her designee, shall review and designate the County facilities, both owned and leased, appropriate for participation in the Artwork Program.
2. The RMA-Deputy Director of Public Works, Parks and Facilities, or his/her designee, will make the final assessment and determination regarding exhibit locations, methods/materials, logistics, safety and security matters, code compliance, accessibility and maintenance requirements, facility integrity, and other related criteria.
3. Assign Facilities staff to assist ACMC with access for installation/removal of exhibits and to review each final installation to ensure all required criteria of 1 and 2 above are met.

Facilities Approved for Participation in Artwork Program

The RMA-Deputy Director of Public Works, Parks and Facilities, or his/her designee has approved the County facilities listed below for participation in the Artwork Program and consideration for visual arts exhibits. County facilities not listed below must comply with all policy guidelines and obtain the written approval of the Department Head and RMA-Deputy Director of Public Works, Parks and Facilities, or his/her designee prior to any artwork being displayed in the facility.

- b. Government Center, Schilling Place

VI. ACMC

Role of ACMC:

The role of the ACMC is as follows:

1. To serve as liaison for the Artwork Program and work with the designated County liaison to implement the County Facilities Art Exhibition Policy.
2. As a committee, to select artwork by area artists for display in County facilities per the selection criteria below.
3. To assemble a collection of exhibits that are diverse in style, scale, media, and artists represented.
4. To rotate exhibits periodically on a schedule acceptable to the County to maximize opportunities for area artists' artwork to be seen by the public and to provide a varied visual experience for the regularly visiting public.
5. To serve as liaison between selected artists and County representatives to arrange for the exhibiting of their original artwork at designated County facilities.

6. To ensure that the artists are aware the exhibit's purpose is not to create or provide a marketplace for art or forum for public political debate, but to encourage community appreciation of artwork in a setting that may be viewed without charge by all members of the community.
7. Subject to the approval of the County, artists may place tasteful, appropriately sized contact information near their approved, posted artwork for purposes of selling the artwork to the general public.

Artwork Selection Criteria:

The APMC selection committee must determine that all artwork meets the following artwork selection criteria before it is approved for exhibition:

1. All artwork approved for selection is the product of local area arts community.
2. Artwork selected shall be of interest to the general public. Selected artwork must have a universal, not particularized, appeal, to attract a broad audience.
3. The selection committee will actively seek to approve a broad representation of quality artwork submitted by a diverse component of local youth, seniors, and other-abled artists.
4.
