### SUMMARY

California Assembly Bill 109 (AB 109), Public Safety Realignment Act of 2011, allocates funding to counties for the implementation of state-mandated local programs related to adult offenders that have been realigned from State to local jurisdictions. The Probation Department (Probation) serves as lead agency and fiscal agent for the implementation of the AB 109 Public Safety Realignment plan for Monterey County. Funding is allocated for custody, supervision, treatment, and transitional housing services. The Probation Department recommends entering into a Standard Agreement with Turning Point of Central California, Inc. (Turning Point) to provide transitional housing services for eligible adult offenders in fiscal year 2026-2027.

### DISCUSSION:

AB 109 allocates funding to counties for state-mandated local programs related to adult offenders that have been realigned from the State to local jurisdictions. The Probation Department serves as lead agency and fiscal agent for the implementation of the AB 109 Public Safety Realignment plan; this plan includes funding for transitional housing services.

For fiscal year 2026-2027, AB 109 funding in the amount of \$921,840 has been allocated to Turning Point to provide transitional housing services for adult offenders eligible for the program. Turning Point is a non-profit agency that provides a residential program, which offers

housing with supervision and support services to up to thirty-two (32) male and female offenders for up to six (6) months. The proposed Standard Agreement will allow Turning Point to provide these services for fiscal year 2026-2027.

In addition to AB 109 funding, the State has allocated Juvenile Justice Realignment Block Grant funding (SB 823) to Probation to support costs and programs related to the impacts of the recent closure of Department of Juvenile Justice facilities. Services under the proposed Agreement with Turning Point will also be extended to SB 823 eligible participants. An estimated \$8,189 in SB 823 funding will also be utilized on an as needed basis to reimburse Turning Point for services provided to qualifying clients recently released from one of Probation's Juvenile Institutions.

**OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:**

The Standard Agreement has been approved by the Office of the County Counsel as to form and by the Auditor-Controller's Office as to fiscal terms.

**FINANCING:**

FY 26-27 funding for these services is comprised from two State sources. The amount of \$921,840 is provided by the State AB 109 Public Safety Realignment (AB109) allocation. The amount of \$8,189 is provided by the State SB 823 (SB823) allocation. Locally, these amounts were approved for FY 26-27 distribution to Probation by the Community Corrections Partnership for the AB109 program on February 5, 2026 and by the Juvenile Justice Coordinating Council for the SB823 program on February 13, 2026. Subsequently, the total funding of \$930,029 was included in Probation's FY 26-27 Recommended Budget for Appropriation Unit PRO001, Units 8163 and 8165. There is no cost to the County General Fund associated with this recommendation.

**BOARD OF SUPERVISORS STRATEGIC PLAN GOALS:**

The recommendation to approve the Standard Agreement with Turning Point supports key objectives of: 1) Well Being and Quality of Life by providing housing opportunities to improve the economic circumstances of the realigned population; and 2) Safe and Resilient Communities by providing access to County services that improve quality of life and residential stability; and assisting with self-sustainability to aid in crime prevention and successful reintegration into the community.
