Good morning District 2 staff,
Supervisor Church,

Ricardo Diaz here, expressing my deep interest in the position of board member for the North County recreation park district.

I am a board member for the North Monterey County Unified School district board, and that is the only board I am a member of.

I know I would be a great asset to the NCRPD board and do a great job in bringing the community together with activities that benefit all. I have decades of sports experience and community advocacy in my time. I have my ear to the community and voice to help everyone.

I would appreciate consideration for this position, as I won't let the community down. Count on it. I won't go on about myself, it's really about doing things together to get things accomplished. The rec and park district is doing the best I have ever seen it in my over 40 years of participating or playing at the parks here.

Thank you for your time and consideration,

Best,

Ricardo Diaz Jr.

Trustee area 4
