Interests & Experiences

Please tell us about yourself and why you want to serve on the AAA Advisory Council.

I have just moved to Monterey county from San Diego to be closer to my daughter who is attending UC Santa Cruz and has decided to stay in the area. In San Diego I served as the VP of Senior Health Services for a very large community health center and would like to bring my passion for serving older adults, as well as my experience to Monterey county where I now live.

Please state the reason you would like to be a member of the AAA Advisory Council.

Having worked in community health in underserved areas of San Diego County for 12 years, I have seen first hand what community-based programs and services can accomplish. That experience combined with my passion for providing services and supports to older adults is what interests me in joining the AAA Council.

Have you served on an advisory group before?

Yes

If yes, please list below.

I served on the Live Well San Diego Design Committee for the County of San Diego. This was over five years ago and our goal was to determine what data to collect to support decisions on design.
