RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:

- a. Approve and authorize the Director of Health Services or designee to execute a Memorandum of Understanding with South Monterey County Joint Union High School District for an estimated total revenue amount of \$39,589 for the term of February 15, 2024 through June 30, 2024; and

SUMMARY/DISCUSSION:

The South Monterey County Joint Union High School District seeks to partner with the County of Monterey, on behalf of its Health Department Behavioral Health Bureau, for the provision of therapeutic services and mental health supports for students identified as having trouble with their educational goals due to social, emotional, or behavioral issues for the 2023-24 academic school year. Through the MOU, the County will deploy Psychiatric Social Workers (“Therapist”) and or Social Workers to School Districts to provide an array of therapeutic services to students including individual therapy, group therapy, family therapy, parent and/or teacher consultation, treatment planning, classroom observation, teacher training, parent education, support with psychiatric appointments, referrals for crisis intervention, and intensive in-home behavioral intervention and support as needed through the General Education program. The School District agrees to pay the non-Federal Financial Participation (FFP) portion of the costs up to the total maximum MOU amount since the County is reimbursed FFP directly by the Department of Health Care Services. The estimated expected revenue

is \$39,589.

The MOU template provides for mutual indemnification and limitation of liability. The MOU template provides that both County and Districts must meet coverage limits for professional liability and commercial general liability (“CGL”), and additional insured endorsements for commercial general liability, which coverage limits are at or above the requirements for the County’s own service providers. The template further provides for the inclusion of professional liability and CGL coverage related to sexual misconduct.

This work supports the following County of Monterey Health Department 2018-2024 Strategic Goals: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and Auditor-Controller have reviewed and approved this request as to legal form and fiscal provisions, respectively. Risk Management cannot approve this request due to unforeseeable non-standard indemnification, limitation of liability, and insurance provisions.

FINANCING:

This Agreement is funded by Federal Financial Participation (FFP) and School District. The associated revenue and expenditures are included in the Health Department’s Behavioral Health (HEA 012, Unit 8410) FY 2023-24 Adopted Budget.
